“ *I'm am very saddened by the news of Robin's passing. We had a lot of fun and memories as young adults. NKC will never be the same! I still have our softball photo in my office. Rogers Dodgers forever. Mark Siemer*

“ *Robin was a part of early years, spent many, many days playing baseball, football, basketball and made up games with him and his brother Kalem. Later he was a teammate for several years on a softball team made up of a close knit group of friends and family. Those were some really good years. My condolences to the family.*

“ Robin was my best friend when we were kids. I always looked forward to seeing him. Although we drifted apart later in life I always considered him a true friend. I will never forget many memories from the Boy Scouts. I would like to send my condolences to the family.
