“ *Condolences to the Wright family. I have known Ron for over twenty years and shared some great memories with him. He started out as a supplier of fasteners but very quickly became a friend. Had some great times fishing, going to concerts and different musical events and outings. When I think of Ron, the first word that comes to mind is FRIEND. He really valued friendship and knew the true meaning of the word. He enriched my life and I will miss him dearly. Keith Gunter*
