“ *Our prayers and thoughts are with Lonnie and Kim. We first met Kim and Rosalie when they lived in Martin City and then moved to the North land. Rosalie was a firecracker and you always knew where she was coming from....We cherish the opportunities to be with her for many family outings., birthdays, fourth of July celebrations and of course the infamous Viva Las Vegas Trip.....Her sense of humor and laughter were priceless... : " What happens in Vegas stays in Vegas"*

“ Dear Family of Rosalie,  
I am so sorry to hear of her passing. I worked with Rosalie for years and I've got to say that any and most conversations with Rosalie involved laughing. She was always so positive and fun to be around. How lucky I was to know her and call her a friend. In sadness I am sorry to say goodbye but I really have to smile as I picture her laughing and enjoying life the way she did. She was a wonderful person and lived her life her way. She loved her kiddos and grandkids unconditionally and was always so proud of all of you. Blessings to all of you and I have to say the Pearly Gates are shining extra bright with Rosalie on the grounds! Love Hugs all the way around.

*Memories? There are too many to count in our 53 year history. Us kids came of age growing up on the same street. Over the years came holidays, camping trips, lake fun and Royals games. Rosalie was there for our family, always. She will be missed. The tequila shots are already lined up at the Pearly Gates. Thoughts and prayers to the family, who have always been part of our family. *Hi Kim and Scott and your families, We were so sorry to hear about Rosalie. We always had such fun together - remember when we made "balloon wine" and one of those jugs, with the balloon on top, exploded in your kitchen in Martin City - and got purple grape juice all over the kitchen ceiling and walls? What a mess but we got a lot of laughs over it for years to come. We keep you all in our prayers - Love, Irene & Bill*
