“ *I loved Ryann so much. She has been so strong and such a fighter ever since I first met her when she was 4. The only thing that comforts me is knowing that beautiful girl is in Heaven, and I hope that is some comfort to you. Mason, Ryann loved you soooo much. You are the one and only that has been with her, her entire life. You took care of her when you were just a little boy. That makes you one in a million..... Please always remember how special you are. Bryan, she was so blessed to have you as her dad. Michelle, I hope you know that Ryann knows you loved her very much..... She's with PaPa now. They're both happy now. I love her. I'm so lucky to have known Ryann. Thank you for sharing her with me. Love, Natalie Knisely*
