*“ Love you. You will always be my sister. I emulated you; I was inspired to be a loving mother that you were to those beautiful girls, to have your sensibility, and to have your strength. I don't know what I will do without you. You were the glue that held our families together. We will all miss you so very much.*

“ My favorite memory was jammin out in the car on trips to softball fields and playing games at her house. I will always remember her as being the coolest "Mom" as she was like a second Mom to me during my early teenage years. Even though She hadn't seen me in at least 8 years...she sent my daughter gifts before she was born. That I will never forget. No matter the distance or time, She was a friend for life.
