“ *I am so sorry for all of the family with this heartbreaking loss. Susu was a dear soul. Like Paulette, I remember the many fun times we played with her and our other cousins at Grandma Christus's house. Susu and everyone else warmly embraced us whenever we visited. Sending prayers for all. with love, Sallie*

“ *My heartfelt condolences to her family! I have fond memories of playing with her at our Grandmother's house in Boonville. We loved to play dress-up together. One time we set our alarm and got up early to watch the sunrise. I know she has many special family members greeting her in heaven! God Bless her.*

“ *Susu had the kindest heart and the gentlest of souls. She possessed what few people in life can boast, the dedication of a single heart..... Her son.*

“ I remember my sister and I swinging on our swingset as kids, singing all the top 60's and 70's songs. Shirley had a great memory for singer's names and what they sang and she knew all the words to their songs.

I remember mom dressing us up like twins even though we were 3 years apart, Shirley being the oldest. People would ask if we are twins and I would think, " What? You can't see she's a lot older than me?" I was fairly little.....

Shirley is a wonderful, beautiful, and kind person and she will surely be missed.

I know in heaven you are made whole and you are with family and are happy and free of the pain and shackles that so bounded you in this world.

I love you Susu.
