“ *David and Debbie - I want to express my sincere sympathy to you and your family in the loss of your Mom. Jerry and I always enjoyed knowing your family and was glad to call them friends on and off of the square dance floor. We were square dancers in the same club for a number of years and always enjoyed our time together. Also, my deepest sympathy in the recent loss of Timmy. May God grant you peace and comfort in this sad time, and may you always remember your folks with a lot of love and always know that memories are wonderful and will keep them alive in your hearts and minds for the years to come. Love to you all. Dorothy Claussen*
