“ *Stephanie Lusso was my childhood best friend, We met in 6th grade at 11 years old and we were together all the time. When I found out about her passing away, I couldn't believe it! We had lost contact the last few years cause I had moved down south. I'm trying to find out exactly what happened to her and why she passed. I've been trying to find out anything I possibly can so that I can get some closure, This has eaten away at me since I found out she was gone. If anyone that's reading this knows anything about how or why she passed away could you please message me on face book? My name is Amber Wilson. This would bring me a lot of closure and I would greatly appreciate it so very much!!!*

“ *Stephanie, a very sweet and sharp pretty little lady is now with us in spirit. I was an acquaintance of hers but none the less, she left my presence with a great impression of zeal and laughter. I will miss her..Robert Crain- Independence, Mo.*
