“ *I'll always Love you Steven D. Beagley. I will always remember your catchy little laugh. I will always remember the little boy that scared me when I couldn't find him and all he was doing was mowing a neighbors lawn. Then I heard he was the only successful streaker in Gladstone. Then you went with me back to Norton and on the way you were driving and you latterly drove my car tell the front tire fell off. lol. R.I.P. Sweet Steve. Aunt Marilyn*

“ I am shocked and so sad to hear of Steve's passing just this morning. I have known Steve since high school but we have only crossed paths every few years since then. I always loved running into Steve. He was so full of energy and always had a smile on his face. Sadly when our friend from high school, Mike Bowles passed away a few years ago, we reconnected at his funeral and stayed in touch for a while but I hadn't heard from him in a couple of years. I will miss knowing that this sweet man is out there doing his acts of kindness and just being one of the good guys in the world! He truly had a big heart and I know those closest to him are feeling such pain. To Steve's family and friends (some of you know me), I am so sorry for your great loss.

“ Fly with the angels Steve.....your stay here on earth was far too short and we are saddened with your passing and how your entire family must be grieving during this horrible time they must endure. Our thoughts and prayers go out to your entire family, especially Shane, since he played baseball so many years for Barry and with Toby. Godspeed Steve.....til we meet again.

“ Steve was such a hoot! Our paths would cross off and on over the years from high school, to being my mail guy, and several parties in between. We always enjoyed a good laugh together. I'm glad we'll meet again in heaven and laugh some more!

“ There are no words to express how much Steve aka "ZZ Top" will be missed. I only got the pleasure of knowing him for a few years. He was an amazing person with a big heart! He always made my day when he walked in to deliver the mail because he never let life get him down. Heaven gained a special angel on May 19, 2015. My thoughts and prayers are with his wife and family.

I am very grateful that you allowed me to be part of your journey! Hug grandpa and my dad tight for me! Watch over us and you and dad better not cause too much ruckus up there with your politics lol!
