“ *Grandma, I miss you so much. We all miss you so much. You were always there for us when we needed you. No matter what the circumstances were. You are and will be forever missed. I love you and will ALWAYS be thinking of you. Especially when I'm watching the Golden Girls! lol*

“ I worked with Sue for 12 years at Liberty Hospital. I was young and this was my first real job. Sue gave me a chance and taught me so much. After I left we still called one another from time to time but I had not talked to her for awhile. She talked quite a bit about her family. I have thought about her often. Please accept my condolences.
