“ I remember my sister Sue would travel with me when I traveled with my job. We would go to Missouri, Iowa and Kansas. You would have thought she went to Hawaii she loved it so much. I called her my secretary. She would always carry pen and paper and as we were driving in the car I would say to her write this down and we would laugh, Later on after I wasn't working that job I would say to her where's your pen and paper and she would laugh. Those were such happy times.

We talked almost everyday on the phone.

I want to thank her for being my sister. She will never know how much I truly miss her and wish she was here. I Love you Sue.

Annette your sister.
