“ *Taize was such a beautiful soul. I am truly heart-broken right now. Taize was my ex-girlfriend, we dated briefly, about 10 years ago. We were only together a short time, but we stayed in contact. I'm sorry that we eventually lost touch over the years. She had a heart of gold, so loving and caring. I will always remember that sweet beautiful smile of hers. My heart goes out to Taize's daughters and Mrs. Mejias. You are in my prayers daily. My condolences to your family and all those who loved Taize. God bless.*

*RIP my sweet angel. You will be missed! <3*

“ Taize always had that kind of smile that would brighten any mood. The times spent playing sports at St. Barnabas High School made many lasting memories. I am very grateful to have met and been a team mate of such a wonderful young woman. Her legacy shall live on. My thoughts and prayers are with her family.
