“ Ted was my Dad. One of the most important figures in my life. Without him I feel lost. He even promised me shortly before he passed away that he would be with my siblings and I for a really long time. It's hard. Losing someone that close. He stepped up when no one else would.

“ Ted Bachmann was a rare breed. He was genuine and as real as a man can be. What you saw was what you got, there were no pretentiousness or no phoniness. He was a good friend to me. I could always count on Ted. My wife and I enjoyed his company, his twisted sense of humor and his zest for life. My condolences to his friends and family. I am going to miss him a lot.
