“ *Some of my very favorite childhood memories are of the times when I went to my Aunt Toni and Uncle Dan's house. She was always so sweet to me. There wasn't a day that I spent with my Aunt Toni that I didn't feel loved. She will be greatly missed and in my thoughts and prayers.*

*Love and condolences,  
Your niece Wendy*

“ Toni was my mother-in-law & she was one of the most caring & giving women that I have ever known. She loved her family deeply & gave her whole life to them. Birthdays, holidays, & family get-togethers were always very important & she always loved being with her family. I think of the day at the hospital when she was diagnosed, everybody was crying, & Toni's only concern was for everybody else & comforting them. She was telling all the kids to make sure they had a relationship with Jesus Christ so she could be with them again one day. It showed the strong faith that she had & the great love that she has for everybody else. I love her & will miss her deeply.

“ My mother was the most amazing mom there could be. She taught us to be faithful and to always rely on Jesus. She lived a pure life faithful to God. She loved her family with a true unselfish love. She sacrificed more for her children and grandchildren than anyone I have ever known. We were her world. The greatest gift my mother gave me was to always find strength and wisdom in God through prayer. I love you mom and will miss you terribly until we are reunited again.

“ *So very saddened by the news. Praying for the peace of Jesus to carry all of you right now. Dan, your grief must be overwhelming.....so sorry. Toni had such a strong and sure faith and this must be of great comfort right now. Brent told me that she passed on Grandpa's birthday.....wow. What a reunion....we will soon be able to see. Toni has given me such sweet memories of my childhood and young adult years. She demonstrated such strong love for family and sacrifice for loved ones. I will never forget. With love and prayers, Lori.*
