“ *Rosie enjoyed her family, her computer, and her pink wheelchair. She always had a positive outlook on life, whenever I got to see her. She was such a good friend to my Aunt Bonnie. They were great roommates and I know Rosie will be watching over Aunt Bonnie even now. Rosie will be watching over her family most of all. She loved them dearly and were so proud of them. My condolences to friends and family for the loss of such a lovely lady. M Mills*

I only knew Rosie from posting with her on a message board. She was always so sweet and kind.
